

# Northavon Youth Theatre Company

has more than 36 years of high quality youth productions to its credit, plus winning **seven** theatrical awards in the last 15 years, with shows like *Les Misérables* and *Crazy For You* and *Our House*. Over the years, *hundreds*, if not *thousands* of young people aged 11 to 18 years have studied **all** aspects of stagecraft through regular professional tuition and workshops. This iconic musical, which we last performed 25 years ago, will have you singing and dancing in the aisles, so rev up for a night of rock and roll, romance and rollicking fun!
